

MEGA GAP-FIX

**HIGHLY FLEXIBLE WATERPROOF LIQUID GAP FILLER
FOR TILE, WOOD, METAL, CONCRETE, PLASTIC, AND
OTHER EXTERIOR & INTERIOR APPLICATIONS**

PRODUCT DESCRIPTION

Mega Gap Fix is a ultimate solution for sealing gaps and cracks with ease and precision. Designed for versatility and durability, this high-performance sealant is perfect for both interior and exterior applications, ensuring a seamless finish every time.

KEY FEATURES:

- Superior Flexibility: Adapts to movement and vibrations without cracking, making it ideal for dynamic surfaces.
- Weather-Resistant: Withstands extreme temperatures, UV rays, and moisture, ensuring long-lasting protection.
- Strong Adhesion: Bonds effectively to a wide range of materials including wood, metal, concrete, glass, and plastics.
- Easy Application: Smooth, non-sag formula allows for effortless application and clean-up, suitable for both professionals and DIY enthusiasts.
- Eco-Friendly: Low VOC content and non-toxic ingredients make it safe for indoor use and environmentally friendly.

APPLICATIONS:

- Sealing gaps around windows, doors, and trim
- Filling cracks in walls and ceilings
- Repairing joints in flooring and baseboards
- Weatherproofing exterior siding and roofs
- Creating watertight seals in bathrooms and kitchens

INSTRUCTIONS FOR USE:

1. Prepare the Surface: Clean and dry the area to be sealed. Remove any loose material, dirt, or grease.
2. Cut the Nozzle: Cut the nozzle at a 45-degree angle to the desired bead size.
3. Apply the Sealant: Using a caulking gun, apply the sealant in a steady, continuous flow, pressing it firmly into the gap.
4. Smooth the Bead: Use a wet finger or a smoothing tool to smooth the sealant for a neat finish.
5. Curing Time: Allow the sealant to cure fully before exposing it to water. Refer to product instructions for specific curing times.

TECHNICAL SPECIFICATIONS:

Color: Available in clear, white, and various other colors
Coverage: Up to 20 linear feet per tube (depends on gap size)
Curing Time: 24-48 hours
Shelf Life: 12 months when stored in a cool, dry place
